

Dear Members of the worldwide Network “Who is Active in diabetes Prevention”,

Prof. Schwarz,
President WCPD

We would like to invite you very much to participate in the 6th World Congress on Prevention of Diabetes and its Complications (WCPD2010), which is held in Dresden, Germany, April 8 -11, 2010. **Please visit the detailed programme at: – www.wcpd2010.com.**

Prof. Bornstein
Vice President WCPD

The Aim– Prevention in practice

- We want provide the most complete panorama for a discussion looking to obtain what in real world is needed to enable strategies for diabetes prevention in practice. In 30% scientific and 30% practice session we will discuss diabetes prevention. 20% of the sessions will be free communication and another 20% practice workshops. There will be a workshop “How to plan a diabetes prevention programme” or “How to manage barriers in diabetes prevention”. Furthermore all participants receive a new book “Prevention in practice” issued for the WCPD2010.

We would like to give everyone who is active in diabetes prevention the chance to have a good auditorium to share his ideas, results and future plans. We have received more that 300 Abstracts with very good presentations from more than 85 countries. At the Congress you will find a prevention village where partners from all over the world can present their prevention programme. We hope to establish an environment where we can meet and discuss with each other

We would be very pleased to welcome you in Dresden
